**\* Do not make final confirmation for any event until you have contacted Blue Angel #8. It could be very embarrassing and costly to the show to cancel an event that Blue Angel #8 did not approve.**

**\*\* Post flight debriefs take approximately 1½ hours. Please take this into account when scheduling Blue Angels arrival at your function. Please also take drive time to the function into account, if not located at the airfield. A good rule-of-thumb for a 1500 show start time is an 1830 social function arrival time.**
